

## Work Experience and Credentials

### into Company Profile:

**into** is an award-winning and multidisciplinary lighting design consultancy, with over 35 years of experience working with talented architects, interior designers and clients.

With a design office in London and established partnerships in Germany, Dubai, Hong Kong and the USA, **into** is able to provide lighting design services for projects throughout the world.

Our experience covers all types and scale of projects including:

- Airports
- Bars
- Car Showrooms
- Cinemas
- Clubs
- Corporate Headquarters
- Department Stores
- Health & Beauty Projects
- Hotels
- Landmark Buildings
- Member Clubs
- Museums
- Casual Dining
- Exclusive Restaurants
- Retail Flagships & Rollouts
- Shopping Centres

### Team

The into team is over 40 strong and made up of qualified specialists from a broad range of backgrounds including lighting design, product design, electrical engineering, interior design and architecture.

Our founding directors are still an integral part of the company 35 years on. They have carefully built an experienced team who will ensure continued success and development for **into lighting**.
